About Me

Fresh graduate in Computer Science from Universitas YARSI with strong dedication and enthusiasm for web development, particularly in frontend technologies. Demonstrates hands-on experience in developing web applications using HTML, CSS, JavaScript, and modern frameworks such as React.js, Next.js, and Tailwind CSS. Committed to continuous learning and staying updated with emerging web technologies to deliver responsive, efficient, and user-friendly solutions.

Education

Yarsi University (2021 – 2025)
Bachelor of Computer Science, Informatics Engineering, (GPA 3.72/4.00)

Experience

1. **Frontend Web Developer**
   Final Year Project – Collaboration between YARSI University & International Islamic University Malaysia (IIUM)
   March 2025 – August 2025
   - Developed MRICondyleNET, a web platform for classifying MRI images of the temporomandibular joint (TMJ) using deep learning.
   - Designed UI/UX in Figma, built the frontend using Next.js & Tailwind CSS, implemented responsive design with dark/light mode, and deployed the application on Vercel.
   - Skills: Next.js, Tailwind CSS, HTML, CSS, Typescript, Github, Figma

2. **Web Development & UI UX Design**
   Studi Independen MSIB Batch 6 - PT Mitra Talenta Grup
   February 2024 – June 2024
   - Successfully completed the Independent Study program at PT Mitra Talenta Grup – Digital Creative, Data, Cybersecurity, and Artificial Intelligence through the Celerates Acceleration Program in Web Development & UI/UX Design.
   - Worked on multiple web development projects using modern frontend and backend technologies, collaborating in teams to deliver functional and user-friendly solutions.
   - Skills: Javascript, PHP, React.js, Node.js, Bootstrap, HTML, CSS, Github, Figma.

3. **Android Developer**
   Mobile Development Study program - Yarsi University
   September 2023 – March 2024
   - Developed *Bersama Zakat*, an Android-based zakat calculator application as part of the Mobile Development specialization track.
   - Presented the project at the YARSI Informatics Engineering Specialization Track Exhibition on March 21, 2024.
   - Skills: Kotlin, Github, Figma

Skills

- Web Development : HTML, CSS, Javascript, Typescript, Bootstrap, React.js, Next.js, Tailwind CSS, REST API
- Mobile Application Development : Kotlin
- Tools & Technologies: GitHub, VS Code, Postman, Figma
